

## Ingersoll Rand Forklift Parts

Ingersoll Rand Forklift Parts - Ingersoll Rand provides products, solutions and services in order to ensure efficiency and increase the productivity within residential, industrial and commercial surroundings. They pride themselves in providing products so as to enhance the security, health, safety and comfort of people all around the world through their four international segments.

The Climate Solutions sector provides a world-class product line of energy efficient HVACR solutions for clients. Thermo King is the leader in transport temperature control, while Hussmann is a manufacturer of food merchandising and refrigeration solutions. Trane is a trusted provider of energy efficient air conditioning and heating ventilation systems, contracting and building services, parts support and advanced controls used for both residential homes and commercial buildings.

Ingersoll Rand's Industrial Technologies sector provides solutions and products which improve their clients' operation, energy efficiency and productivity. The product range is diverse ranging from tools and pumps, fluid and material handling systems to complete compressed air systems. They have also developed Club Car, the international leader in golf and utility vehicles for companies and people.

Well-known trade names like for instance Schlage and Trane compromise the Residential Solutions business, delivering safety, efficiency and comfort to home owners all across North America. Some of their innovative quality products comprise electronic and mechanical locks, indoor air quality solutions, heating and air conditioning systems, remote home management, portable security systems and advanced controls.

Ingersoll Rand' Security technologies provide products which ensure safe, productive and secure environments. This division's market leading products comprise door and floor closers, exit devices, portable security devices, electronic and biometric access control systems, cabinet hardware, steel frames and locks and doors, locksets and decorative hardware. Well-known trade names such as Schlage even provide time, attendance and personal scheduling systems.
