

## American Lincoln Parts

American Lincoln Parts - Now linked with Nilfisk Advance Industrial Group, American Lincoln specializes in industrial floor cleaning machinery. Within the industry they are recognized in the business as providing strong and durable equipment which satisfies the requirements of larger infrastructure and heavy industry. Products made in the United States; the sales are conducted nation- wide through direct Government sales, national accounts, and authorized distributors.

The Clark Company, of Nilfisk Advance, and American Lincoln share the battery operated walk behind version of floor scrubber. Clark has their production facilities located in Springdale Arkansas. These scrubbers are accessible in the market under the trade mark name "Encore". American Lincoln can supply machinery, parts and warranty service for these types of scrubbers which have both the Encore and Clarke logos.

Distributed in Wal-Mart and Target distribution centers, the 7765 floor scrubber model is the highest selling floor scrubber in American Lincoln's line and the 7765 has become a trusted model for several facility supervisors where results and efficiency make a difference. Lately, this particular floor scrubber model has been utilized by the architects in different construction projects like for instance Home Depot's and Lowes Home Improvement Stores. Flooring contractors utilize this sweeper scrubber on site because of the model's supreme performance level and excellent quality for polishing concrete.
