

## Nissan Forklift Parts

Nissan Forklift Parts - Nissan takes great delight in attaining complete customer satisfaction, when their consumer is experiencing one of their many products including cars, trucks, and forklifts. Nissan Motor Co. Ltd is the parent company to Nissan's Forklift division. They are committed to offering high value and meticulous quality standards to their clients. Incorporating a fruitful heritage combined with solid processing principals, Nissan Forklifts provide some of the best materials handling equipment the industry has to offer.

Nissan Forklifts has recently added a European manufacturing warehouse in Sweden to keep up with worldwide lift truck demands. Dedicated to offering consumer support, the company has four independent production facilities that permit them to persistently adapt to their customers continually evolving needs by providing an assortment of innovative ideas and designs.

Nissan Forklift operations for North and South America is based in Marengo, Illinois. Home to a team of 350 personnel, they are committed to the design, fabrication, and support of their forklift products. Utilizing ISO standards (ISO-9001 and ISO-14001 certifications) this permits sectors of the Nissan Forklift Operation to maintain environmental accountability by using methods and procedures that lessen their environmental footprint. These high values remind consumers that Nissan operates under the quality seal that their clients require whilst being an environmentally responsive corporation.

Nissan is confident that they will be capable of addressing any client questions or considerations. Always accessible through their website or by calling 800.871.LIFT, contacting one of their community authorized sellers or even traveling to their Midwestern office, Nissan Forklift Corporation is sure you will be impressed with their warmth and commitment.
