

Trek Part

Trek Parts - TREK Cleaning Machines is a machine manufacturer who is passionate about the cleaning trade. The company's founders, Bob O'Hara, Jim Hartsock and Chris Knwolton, have more than 60 years combined experience with effectively manufacturing, designing, developing, marketing and offering customer support. The company's cutting edge flair is a reflection of the entrepreneurial style of the founders. They truly believe in delivering true value to their customers and are committed to offering top quality and new design concepts so as to meet the diverse needs of their clients.

TREK Cleaning Machines always provides fresh design ideas as proven in their product development. They like offering products which energize both their partners and their dealers and provide production gains to their clients.

The team at TREK enjoys tackling new tasks and challenges. They are proud to launch their new Torsion scrubber line and all of its breakthrough technology. This line was motivated by the understanding of operators' needs and skills combined with their comprehension of cleaning applications, together with owners' strong desire to significantly reduce expense through productivity gains.

The staffs at TREK and their dealer-partners are really devoted to having both technical support and parts obtainable when it is needed. Their high service devotion is one of the core values in their customer service. Keeping their clients' cleaning machines working and ready on a daily basis is top priority. The company's top of the line technology delivers reliable machine that eventually lowers your cleaning cost. The product, the price and the service all work as one to be able to make them an industry leader.
